Sales Intern

12/12/2020

Worked on the live project in the Organisation and started my career as a Sales Intern.

After 2 months based on my performance i was handed a team of my own to which i have to handle them.

My main motive as a Team Leader was to generate the sales out from my team members and also generate sales of my own, so it was challenging task, but i obercomed it with my great performance.

It was pretty good experience and i learnt a lot from and it also boosted my confidence.
