- CGPA - 7.6

**Intermediate School**

📅 July 2016 - June 2017

- Percentage - 83

**High School**

📅 July 2013 - June 2014

- Percentage - 75

## PROJECTS

**Vehicle Number Plate Recognition**

We intended to develop a system in MATLAB which can perform detection as well as recognition of Car Number plate. Objective of this system is to recognize car number plate using serial communication.

**Alcohol Detection Based Vehicle Engine Locking Using GPS, GSM & RF Helmet**

This gps module will track the location of accident and the gsm module will send a text message to the area's ambulance and also to the family of the victim.

## TRAININGS

Java Course

**Udemy**

📅 December 2021

Python Bootcamp

**GUVI**

📅 April 2021

## SKILLS

C

Java

OOPS

SQL

Data Structure

## COURSES

- Introduction to MySQL
- DBMS
- Mobile Communication
- MATLAB
- Operating system

## POR

**Member of I2C**

## ACHIEVEMENTS

- Intermediate School Topper Academic Year 2016-17
- Cluster Level Kabaddi Winner of Pinahat Block

## ACTIVITIES

- Sports.
- Volunteering.

## HOBBIES

- Reading Books
- Puzzle Solving
- Running
- Yoga
