- Objective : Create a e-commerce product project
- Tech Stack : Using react

### React-redux Counter | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a Redux Counter.
- Tech Stack : Using React Redux.
- Abstract : To build a Redux Counter.

### Todo List | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a Todo List.
- Tech Stack : Using React.
- Abstract : To build a Todo List.

### Change product Color | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a Change product Color.
- Tech Stack : Using React.
- Abstract : To build a Change product Color.

### Umbrella Project | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a Umbrella Project.
- Tech Stack : Using React.
- Abstract : To build Umbrella Project.

### StarApp Umbrella | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a Starapp Umbrella.
- Tech Stack : Using React.
- Abstract : To build a Starapp Umbrella.

### Tortoise\_Ass | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a Tortois\_As.
- Tech Stack : Using React.
- Abstract : To build a Tortois\_As.

**Api User** | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a API user.
- Tech Stack : Using React.
- Abstract : To build a API user.

**Page Infinite** | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a Page Infinite.
- Tech Stack : Using React.
- Abstract : To build a Page Infinite.

**Validation Form** | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : To build a Validation Form.
- Tech Stack : Using React.
- Abstract : Create a Validation Form.

**Validation Form** | Newton school [\(link\)](#)

August 2022 - August 2022

- Objective : Create a Validation Form.
- Tech Stack : HTML,CSS,JAVASCRIPT.
- Abstract : To build a Validation Form.

**BMI calculator** | Newton school [\(link\)](#)

July 2022 - July 2022

- Objective : Create a BMI Calculator
- Tech Stack : React
- Abstract : To build a BMI Calculator

---

**Skills**

Computer languages	Java, SQL, CSS, HTML, JavaScript
Software Packages	React, Bootstrap, MySQL
Soft Skills	Communication Skills

---

**Co-Curricular Activities**

- Listening to music.
- Reading Books.
