RAHUL

IT Assistant | DATA SCIENTIST & ML

SUMMARY

I constantly strive towards perfection in my field through optimum utilization of knowledge, strength and commitment to productively contribute to the working of an organization.

I have three years of work experience as an IT Assistant at OPCAR FOUNDATION.

My biggest achievement was to be selected as STAR of OPCAR after successful completion of Annual Function 2022 and also my IT skills helped me to generate traffic up to 10% during the course on website.
