PROJECTS

E-Commerce Website

E-Commerce is a site used to shop and deliver commercial products. It will also be used for delivery of products from factories to small cities vendors on a cheap rate. It is also used for shop of fresh products like vegetables and fruits to door to door. It is also made by using Html Css Javascript php and Mysql.

Online Quiz Examination

Online Quiz is a website used on holding exams and quizzes in online mode. When someone wants to prepare for exams then they can check their progress by taking exam practice sets. Online Quiz System is made by using Html Css Javascript for Front End and Php Mysql for backend. Mainly my project is on the focus on Online mode of exams preparation and giving crash results.

ACHIEVEMENTS & AWARDS

- **Represented college in Seminar held in Doon Academy Dehradun on topic Php**
- **Represented College in Xcoders Technology Roorkee in DotNet Technology**
- **Represented Farrukhabad district in state for cricket tournament**
- **Runner up of College Cricket Tournament**
- **Excellent work in various science and maths olympiad**
Bagged 1st Position in Inter school Chess Tournament
- **Represented College in various societies like Rylla, SDNX, Lagan**
- **Core member and event manager at college events team and clubs**

INDUSTRIAL EXPOSURE

Cat & Dog recognition

Cat and dog recognition system is machine learning project. In this we are developing some algorithm using artificial neural network (ANN) where we may provide machine some pictures and it will recognize by self looking into their database we may start this recognizing cats and dogs picture. Mainly my work in this is to make csv file and connecting it to the database. After this we will enhance it as image recognition system.

INTERESTS

- **Web Development**
- **Cyber Security**
- **Management**
- **Cloud Computing**

PERSONAL STRENGTH

Commitment and Loyalty
Self-confidence
Creative
Good in communication
Polite and kind
Effectiveness to laziness

PERSONAL PROFILE

- **Date of Birth** : **06/15/2001**
- **Marital Status** : **Single**
- **Nationality** : **Indian**
- **Known Languages** : **Hindi,English,Gujarati,Bhojpuri**
- **Hobby** : **Travelling,Book Reading**
