- Team Player
- Quick Learner
- Hard Working Leadership

SKILLS

LABview

SciLab

QUCS

C++ (Basic)

C (Basic)

Arduino (Basic)

PROJECTS

Digital Clock-(using 555 timer IC)

March 2021 - Present

Electronics Department

- Responsible for designing the circuit.
- Work closely with co-workers to explore Multiple interesting facts.

Light Following Car-(using transistor)

March 2022 - Present

Electronics Department

- Responsible for designing the circuit.
- Work closely with co-workers to explore Multiple interesting facts.

ACHIEVEMENT

- Secured third position in 1st year examination in department of electronics, Bhaskaracharya college of applied Sciences, University of Delhi.

EDUCATION HISTORY

- Bachelor of Science (hons) -Electronic

Bhaskaracharya College of
Applied Sciences

July 2019 -May 2022

- Completed with CGPA- 8.58
- Gained extensive training and accomplished all courses.

- CBSE- 12 Standard

2018 - 2019

Kendriya Vidyalaya Dwarka
Sector-5

- Academic Excellence in computer science(c++).
- Completed with 70.4%

- CBSE- 10 Standard

2016 - 2017

Kendriya Vidyalaya Dwarka
Sector-5

- Completed with 7.6 cgpa.
