## Key Areas

- Data Analysis
- JavaScript and HTML
- React
- Automation
- Alteryx Designer
- Cross-functional Coordination
- Python Language
- MySQL
- Operating system
- MS Office
- Problem-solvings skills
- Communication skills
- Webpage solutions
- Analytical Solutions
- Quality assurance

## Soft Skills

- Communicator
- Collaborator
- Innovator
- Technical skills

## Education

### **Kurukshetra University, Haryana**

- B.Tech ( Year 2014 – 2018 )

### **R.P.S. School, (C.B.S.E.)**

Class 12<sup>th</sup> ( 2014 ) : 81%

Class 10<sup>th</sup> ( 2012 ) : 8.2 CGPA

## Experience

### **Since Aug 2020 with Danblock Pvt. Ltd as Enginner**

- Working on language programming using Javascript and HTML.
- Involved in data structure, data integration and metadata management
- Deliver multiple Platform automation solution

## Projects : -

### **Platform Automation**

**Tools** : Python, Google Cloud, SQL/Big Query

#### **Roles :**

- : Responsible for setting up reporting and analytics platform for client on Cloud
- Executing data checks using SQL Queries in Google Big Query
- Involved in data integration and data structure and metadata management
- Build the automated data pipeline which takes data input from client in Google Cloud storage and triggers the cloud function that validates the scheduled daily/weekly feeds and sends automated emails to users about the acceptance and rejection of the feed.
- Pushing data into Big Query which is being used by upstream applications for reporting and analysis purpose in visualization tool.

## **WorkFlow Automation**

**Tools :** Alteryx , SQL , Excel

### **Roles:**

- Build the end to end reporting solutions through Alteryx Workflow
- Experience in applying different nodes:input, output, filter, summarize, select, join, union, cross tab, directory, sort, text to column, formula, multi row, browse,
- Providing output in the form of excel file for business review .
- Pushing data back in SQL for data storage .

## **Webpage Enhancement**

**Tools:** Javascript , React, HTML

- Enhanced user webpage objectives by creating site structure, navigations and page optimization
- Implemented enhancement that improved web functionality and responsiveness .

## **Hobbies**

- Interacting with People
- Listening Music
- Traveling
- Outdoor games

## **Certifications**

- [Udemy Course Completion Certificate | Udemy](#)
- Won various general proficiency certificates at school level .
- Attended seminar on recent advances in engineering

## **Personal Profile**

- Date of Birth : 21/12/1996
- Marital Status : Married
- Nationality : Indian
- Known Languages : Hindi , English
