Pravinder Yadav

MECHANICAL ENGINEER

yadavparamg@gmail.com

9315732827

Smart worker who is always eager to learn new things and well motivated and confident.

EDUCATION

Bachelor of Technology
DPGITM , Gurgaon

MDU , Rohtak

Intermediate(12th)
GL Public Sr. Sec. School

CBSE

10th
GL Public Sr. Sec. School

CBSE

MEMBERSHIP

ISHRAE
Indian society of Heating Refrigerating and Air Conditioning Engineers(ISHRAE)

This society taught me the how the HVAC system works.

PROFILE SUMMARY

My name is Pravinder yadav a B.tech graduate with Mechanical engineering degree. As I talk about my skills, I have taken training of AutoCAD, Ansys , Hyperworks, Ms office. I have also done some classes on 3D printing. My strength is that I am a quick learner and can work both in team and individual. Smart working person who is persistent problem solver with great punctuality. I give strong attention to details that's why I get my work properly done with high level of accuracy. Always try to learn new things and try to improve my skills . Always try to understand my mistakes and improve them, with problem solving attitude.

SKILLS

Autocad   Ms office   Ansys

Persistent problem solver   Good level of Accuracy

Strong attention to details   self motivated

Inquistive Nature to Drive Improvements

Machine learning   Digital marketing

Quick learner   Setting goals for my self

Comfortable to work both individually and in team too

Punctual   Work according to environment

PROJECTS

Analysis on Butt weld
- It was a final year project in which i studied about effects caused on Aluminium Butt weld due to several experiments using Old and New Research paper and some experiments are also done by me.

CERTIFICATES

AutoCAD
Learned Design and drafting too , in 2D , 3D and isometric .

Ansys
An analysing software used to understand the effects of force avting on object.

Hyperworks
2D analysing software giving a basic but important practice to analysis.

Fundamentals ofDigital Marketing
learned basics of digital marketing through Google Digital Garage

Machine Learning
Done through Tata capability development program

ISHRAE
learned some basics of how HVAC system works.

ACHIEVEMENTS

Social media marketing for Aasman foundation(NGO)

LANGUAGES

Hindi
Native or Bilingual Proficiency

English
Full Professional Proficiency

INTERESTS

Learning new skills   Self upgradation
