Profile

Ready to learn always and for taking challenges. Friendly and engaging team player and leader able to inspire staff to perform their best and grow together. Web developer with PHP and UI stuff. A multi-tasker who excels at PHP coding and UI design including DB work also with full of skill. Regularly learning new things to improve myself and for my work area and team also and as well as to achieve my goals.

Experience

PHP CORE PROGRAMMER | FRESHER IN INDUSTRY BUT WELL TRAINED | SEPTEMBER 2021 - PRESENT

· I did lot of PHP core code, developed my logic from very beginning once I started learning C language.
· I designed lot of web forms and powered with PHP and MySQL from backend and successfully submitted my assignment.
· Tried to code in efficient manner and ready to learn more with my seniors.

BOOTSTRAP UI CONSUMER |

· Created lot of web forms designed and powered by Bootstrap.
· Consumed fantastic facilities of Bootstrap for UI empowerment.
· Successfully submitted lot of UI designs.

JAVASCRIPT/JQUERY CONSUMER/DEVELOPER |

· Empowered web forms with client-side code with the help of JS and jQuery.
· Love to work with JS/jQuery.
· Lot of things have to learn here, and I am ready for that.
